

## 18. THE LITTLE ELEPHANT SONG

(Inspired by the poetry of Mado Michio)

You've got a long nose, little elephant  
Long nose, little elephant  
Long nose, little elephant  
You've got a long, long nose  
And you've got big feet, little elephant  
Big feet, little elephant,  
big feet, little elephant,  
You've got a long long nose  
And you've got a short tail, little  
Short tail, little elephant,  
short tail, little elephant  
You've got a long long nose

My Mama's got a long nose  
My Mama's got big feet  
My Mama's got a short tail  
My Mama looks just like me  
Only bigger with her long nose  
My Mama's got a long nose  
My Mama is beautiful  
My Mama is beautiful  
My Mama looks just like me
