

9. I SAW A RHINO

I saw a rhino
What did you see?

I saw a leopard
But he didn't see me

I saw a buffalo
What did you see?
I saw a lion but he didn't
see me
He didn't see me
He didn't see me
I saw him but he didn't
see me

He didn't see me
He didn't see me
I saw him but he didn't
see me

I saw him
I saw him
I saw him but he didn't
see me
He didn't see me
He didn't see me
I saw him but he didn't
see me
